

CHATHAM HISTORICAL SOCIETY

The Borough of Chatham, New Jersey

The Chatham Historical Society is dedicated to discovering and sharing the rich history of the Borough of Chatham, New Jersey. Founded in 1923, the Chatham Historical Society brings together people who are interested in the history and on-going development of the borough. Information of historical interest is presented through programs, publications and other media. The Society encourages an appreciation of the borough's historic character and recognizes that today's residents, places, and events will become our history.

Make Chatham's past part of your future!

Residents and non-residents are invited to become members of the Chatham Historical Society. You'll receive invitations to special programs, the annual Holiday Party, and the annual Dinner Meeting as well as the wonderful newsletters. Members also received a 10% discount on the purchase of all our books and publications.

Proceeds from the sales of our books aid the Library of the Chathams and provide an annual award to a graduating senior at Chatham High School while also supporting our ongoing projects: digitizing archival photos, maintaining our website, creating DVDs and other new publications, researching local buildings, sponsoring walking tours, and working together with the community to raise awareness of our town's history.
